

Feia temps que el vampir Ladislau volia anar a la consulta del dentista. Una nit es va llevar disposat a fer-ho. Es va transformar en ratpenat i va començar a volar.

Quan va arribar a la comissaria va  
preguntar on parava la clínica.

-És que vull afilar-me  
els ullals -va explicar.

Però el guàrdia es va pensar  
que era una broma.

An illustration of a vampire with a large, pale, balding head and a wide, toothy grin. He is wearing a red cape and has a large, hairy, dark brown dog-like creature on his back. The scene is set against a light blue, textured background with several small, dark beetles scattered around. The vampire's right hand is raised to his mouth, with his index finger pointing inside. The dog-like creature has a long, dark, pointed snout and is looking towards the left.

**–És veritat, miri... –va dir en Ladislau ensenyant les dents.**

**El guàrdia el va enviar a pastar fang:**

**–Encara falta molt per a Carnestoltes!**
